

Student Sponsorships

Student sponsorships enable The De La Salle School to offer parents who cannot afford a quality Catholic education that option for their children. Founded in 2002 by the De La Salle Christian Brothers, this non-tuition driven school is a place where minds are challenged, hearts are touched, character is developed, hope is nurtured, and dreams are fulfilled. At a crucial turning point in their lives, the school invites young men into a Christian community of learners. The school provides a committed faculty, a diverse student body, an emphasis on basic academic and social skills, and an opportunity for parents or guardians to be active partners in their child's education. Please consider taking an active role in a student's growth and success by becoming a student sponsor.
